ABOUT THE FIRM

BUILT IN THE FIELD, ON TIME

Vata Infrastructures is a Bengaluru civil contracting firm founded in October 2018 by Darshan Bhaskar T. We work mostly in forests and wildlife areas, where sites are remote, the terrain is difficult and the work has to hold up against elephants and large cats. Our works are won by e-tender and certified on completion by the Karnataka Forest Department, Karnataka Neeravari Nigam Limited and Visvesvaraya Jala Nigam Limited. We handle the whole job: excavation, PCC and RCC, structural steel, masonry, fencing, hydro-mechanical gates, finishing and painting. Our own labour force is covered under EPF and ESI.

REGISTERED NAME	Vata Infrastructures
PROPRIETOR	Darshan Bhaskar T
CONSTITUTION	Proprietorship
ESTABLISHED	10 Oct 2018

WHAT WE BUILD

SERVICES

01 / FENCING

CHAIN LINK AND BARBED WIRE FENCING

GI chain link mesh on angle iron posts with concrete footings, barbed wire strands, and RCC pole fencing for forest boundaries and plantations.

02 / CONFLICT MITIGATION

ELEPHANT PROOF TRENCHES AND RAILWAY BARRICADES

Trench excavation across forest ranges and rail barricades to keep elephants out of farms and settlements.

03 / WILDLIFE FACILITIES

HOLDING ROOMS AND PADDOCKS

Tiger and leopard holding rooms with steel cages, welded paddock enclosures and service buildings for safaris and rescue centres.

04 / IRRIGATION

DAM, GATE AND TUNNEL WORKS

Vertical lift and trash gates, embedded parts, screw hoists, and dam repairs and maintenance for irrigation projects.

05 / CIVIL

CONCRETE, MASONRY AND STEEL

Earthwork, PCC and RCC, size stone and brick masonry, structural steel fabrication, plastering and painting.

06 / REACH

REMOTE SITES ACROSS KARNATAKA

Shivamogga, Chikkamagaluru, Chitradurga, Bengaluru Rural and Shikaripura so far, with our own crews and equipment.

PROJECT DETAILS

MAJOR PROJECTS

WILDLIFE FACILITIES • 2023-24

TIGER HOLDING ROOM AND PADDOCK, TIGER AND LION SAFARI, THYAVAREKOPPA

Karnataka Forest Department • Wildlife Division, Shivamogga (CAMPA)

Five tiger holding rooms with a 1,200 sqm welded steel paddock for the Tiger and Lion Safari at Thyavarekoppa. The job covered earthwork, PCC and RCC, stone and brick masonry, built-up steel sections, GI chain link fabric, roofing sheets, plastering and painting.

5 holding rooms • 1,200 sqm paddock • 25.5 t welded steel • 1,349 sqm chain link

Rs. 99.95 L (Estimated cost) • Completed 20 Mar 2024

WILDLIFE FACILITIES • 2023-24

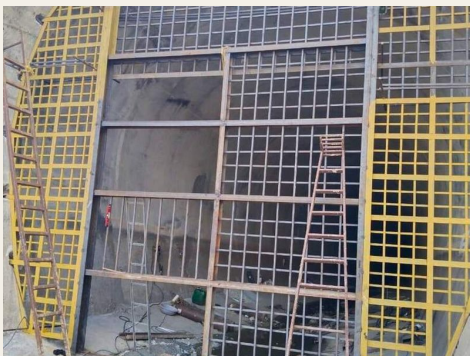

LEOPARD HOLDING ROOM AND PADDOCK, TIGER / LEOPARD / PANTHER RESCUE CENTRE, THYAVAREKOPPA

Karnataka Forest Department • Wildlife Division, Shivamogga (CAMPA)

Part 2 of the Tiger / Leopard / Panther Rescue Centre: five leopard holding rooms with steel cages and a 1,000 sqm paddock area, built alongside the safari's existing facilities.

5 holding rooms • 1,000 sqm paddock • 23.8 t welded steel • 1,247 sqm chain link

Rs. 95.00 L (Estimated cost) • Completed 20 Mar 2024

IRRIGATION • 2025-26

VERTICAL LIFT TRASH GATE AT THE 7 KM AJJAMPURA TUNNEL, UPPER BHADRA PROJECT

Visvesvaraya Jala Nigam Limited • UBP Division No. 3, Ajjampura

Fabrication and installation of a 3.5 m × 4.5 m vertical lift trash gate with 25 mm MS square mesh at the approach to the 7 km Ajjampura tunnel, including embedded parts, the lift gate and a screw hoist.

3.5 m × 4.5 m gate • 25 mm MS square mesh • Screw hoist • 1,274 anchor rods

Rs. 25.18 L (Incl. GST) • Completed 2025-26

TRENCHES & BARRICADES • 2022-23

ELEPHANT PROOF TRENCH IN SHIMOGA, SACREBYLE AND MUGUDTHI RANGES

Karnataka Forest Department • Wildlife Division, Shivamogga (CAMPA)

9.3 km of elephant proof trench excavated across three forest ranges to reduce human–elephant conflict and keep herds away from farms and settlements.

9.3 km trench • 62,762 cum excavated • 3 forest ranges

Rs. 98.00 L (Amount paid) • Completed 2022–23

FENCING • 2022-23

CHAIN LINK MESH FENCING AT NAYAKANAHATTI HOBLI, CHALLAKERE RANGE (3 PACKAGES)

Karnataka Forest Department • Chitradurga Division (CAMPA)

Three packages of GI chain link mesh fencing on angle iron posts with concrete footings, totalling 7.8 km around forest land in the Challakere range. Photos below are from our chain link fencing sites.

3 × 2.601 km • 7.8 km total • GI chain link on angle iron posts

Rs. 236.59 L (3 packages) • Completed 2022–23

TRENCHES & BARRICADES • 2022-23

RAILWAY BARRICADE FROM N.R. PURA MAIN ROAD TO KANAGALASARA HOSTEL, ALDARA SECTION, BHADRA TIGER RESERVE

Karnataka Forest Department • Bhadra Tiger Reserve, Lakkavalli Wildlife Range

A railway barricade along the Aldara section of the Lakkavalli Wildlife Range, from the N.R. Pura main road to the Kanagalasara hostel. Executed by e-tender under the capital outlay head for railway barricades to prevent man–animal conflict, and certified on completion by the Field Director, Bhadra Tiger Reserve.

km 1.794 to 2.445 • ₹89,78,329.57 • Prevents man–animal conflict

Rs. 89.78 L (Contract value) • Completed 2022–23 (certified 13 Jun 2024)

IRRIGATION • 2021-22

ANNUAL MAINTENANCE OF ANJANAPURA DAM AND GATES, ANJANAPURA RESERVOIR PROJECT, SHIKARIPURA

Karnataka Neeravari Nigam Limited · Dandavathi Reservoir Project Division

Annual maintenance of the Anjanapura Dam and gates, with repairs, under the Anjanapura Reservoir Project in Shikaripura taluk (Indent No. 31031). The work covered silt removal, concrete works, a new embedded-parts set with top seal seat, and a screw-type hoist, and was certified as satisfactory by the Executive Engineer.

14.29 t embedded parts · 16.93 t screw hoist · 13,750 sand bags · Estimate ₹71 L

Rs. 61.04 L (Work done, excl. GST) · Completed 28 Feb 2022
